

Declaration for Limpieza y Secado Solar SL Cleaning System

Reference:

- Project Name: Limpieza y Secado Solar's system
- Customer: Limpieza y Secado Solar SL

To whom it may concern,

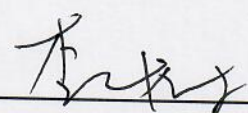

This letter is to confirm that the cleaning system from Limpieza y Secado Solar SL described on the Appendix A meets the requirements of TRINA SOLAR. TRINA SOLAR warrants its modules according to the TRINA SOLAR Warranty Terms & Conditions provided the modules are installed, operated and serviced as described in the TRINA SOLAR installation manual. TRINA SOLAR does not warrant against breakage, damage, wear or module performance issues that are determined to be caused by a cleaning process. For this reason, the confirmation of Conformity is not a guarantee of Warranty.

Approval of the above listed cleaning process or apparatus is based upon and in accordance with the datasheet or specification supplied to TRINA SOLAR effective at the time of issuance of this Confirmation. Changes in the cleaning process specifications or cleaning processes nullify this Confirmation of Conformity. TRINA SOLAR reserves the right to change the approval requirements for the Module Cleaning Application Note as well as a possible revocation of the Confirmation of Conformity.

All over conditions from the Installation Manual shall apply and remain in full force. The end user shall comply with all its terms and provisions at all times. In the event of any future claim, Trina Solar LIMITED MANUFACTURER'S WARRANTY FOR TRINA SOLAR CRYSTALLINE SOLAR PHOTOVOLTAIC MODULES will be valid only if the above granted expectations and conditions, as well as the rest of the Installation Manual recommendations, are all adhered to.

Note: (1) Please find the pictures supplied by the manufacturer in Appendix A.
(2) This Declaration Letter shall be valid for two years starting from the issue date.

Yours Sincerely
